Two Leaves: Reading Activity

Long Responses

1. Which figurative language technique is used to bring the main characters of this story to life?

The leaves were considered as a human as it can speak, emotion.

2. Which figurative language technique is used in the following?

"Might be a few yellow stripes here and there, but not soâ€™s youâ€™d notice,"

Because it downplays or minimizes the extent of the change in the second leaf's appearance.

Two Leaves: Reading Activity

Essay Questions

1. What do the two leaves teach readers about companionship and having a friend? Support your answer with evidence from the text and explain your argument completely.

The two leaves in the story teach readers that companionship and having a friend are essential for survival and happiness. The first leaf realizes this when he tries to convince the second leaf that he hasn't changed much.
